## JoAnn Coleman

*CMC & Research Statistics Leader,  
Spark Therapeutics.*

JoAnn Coleman is the CMC & Research Statistics Leader for Spark Therapeutics, a gene therapy company based in Philadelphia, PA. JoAnn holds an undergraduate degree in Chemistry and a master's in Applied Statistics. JoAnn has been in the pharmaceutical industry for 32 years, the first 30 of which she spent working in both the laboratory and as a non-clinical statistician supporting various modalities at GSK. In January of 2021, JoAnn made the switch to Spark to build their non-clinical statistics department. JoAnn enjoys training and enabling scientists to think statistically about their experiments and analysis. Design Expert is the tool of choice for educating, designing and analyzing designs at Spark.
